Dear Valentin:

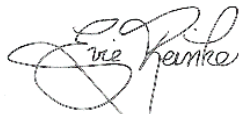

As of March 26, 2025, DrJ Engineering, LLC (DrJ) has completed Report Number 2408-116, which certifies that KITE Anchor Point is compliant with the building codes referenced in Section 4 of the report. The scope of the certification covered is as listed in Section 6 of the report, and the term of the certification expires at the end of the day noted on the first page as the "Subject to Renewal" date.

In order to maintain your certification, a copy of your quality control manual must be sent to DrJ if it is edited or updated. Likewise, any changes to the design, manufacturing process, ownership or structure concerning code acceptance must be incorporated into your accepted documents and submitted to DrJ for review. Inspection reports must also be submitted to DrJ as outlined in the approved surveillance program at the following frequency: Annually.

Per ISO/IEC 17065, DrJ shall exercise the control as specified by the certification scheme over ownership, use, and display of licenses, certificates, marks of conformity, and any other mechanisms for indicating a product is certified. Learn more about approved use of DrJ's certification mark at www.drjcertification.org.

An annual review is scheduled for Quarter 2 of 2026. The report is posted on DrJ's website at <https://www.drjcertification.org/dl/2408-116>. Please visit drjcertification.org or call us at 608-310-6748 for more information.

Sincerely,
